

Healing Arts Festival & Psychic Fair

You are being cordially invited to participate in a community event that will present to the public different healing modalities under one roof!

Our mission is to bring medical and alternative practitioners and products together, providing a thoroughly comprehensive event for the community. Individuals will have a unique opportunity to learn about therapies first hand so they may be able to make wise choices about their health which involves the Mind, Body and Spirit.

We have a variety of practitioners as well as vendors who create a positive and professional atmosphere in our fair. Past participants have been: Lotus Guide Magazine, Joseph Martin, Psychic, Chico Holistic Wellness Center, as well as many Reiki and other unique modality practitioners.

Our goal is to provide to participating practitioners a positive experience which is both monetarily rewarding and fun!

This year we will again be holding a raffle that we are asking for donations. You are under no obligation to donate, but it is another great way to advertise your service. We discovered that during the show when the raffle prizes were being announced the participants became very excited and enthusiastic, also when we called the winners that were not present, they were very glad to have gone to the show and were excited about their prizes and many indicated that they will make it a point to come to the next fair.

We also have another opportunity for you to gain exposure for your services by placing an ad in the program guide. This program is given to every visitor that comes to the festival. You can place a traditional ad for your services or highlight an upcoming event. Contact Sam Pullenza (530) 801-1616 or email healingartsday.chico@gmail.com for more details. Price is only \$15 and space within the program is limited to approx. 19 slots. Make sure to indicate on your contract for one of these slots as it is on a first come basis.

Thank you for your consideration.
